## ROCKY HORROR CAST BIOS (Alphabetically)

**Courtney Ballard** (*Riff Raff*) Born and raised in Lexington County, Courtney spent years working on, over, under, around, and behind the scenes at Village Square, Town, Workshop, Drayton Hall, Longstreet, and other local theatres before taking a long hiatus. He returned to the stage in 2019 to play Bill Sykes in On Stage Productions' *Oliver!* and is thrilled to return for his 2nd show with OSP.

**Linda Brochin** (*Narrator*) Linda has performed in numerous shows for OSP and VST for over the past 8 years, after moving from Raleigh with her hubby, Bill. A St. Louis transplant, (and many places in-between), theater is her Zen and she's proud to say that these 48 years of performing has been a true joy and blessing. She's thrilled to be working with her dear friend Robert Harrelson!

**Laney Cohen** (*Usherette/Transylvanian*) Laney is a Social Worker by day and a tramp by night. This is her 2nd show, and was previously spotted as the Fairy Godmother in Chapin Community Theatre's *Shrek*. She would like to shout out love to her family and friends that have supported her mishagas throughout this entire process.

**Melissa Frierson** (*Transylvanian*) Melissa's pumped to be doing the Time Warp at OSP! She's a Theatre Education graduate from Winthrop and has been happily roaming the stage since. Some of her favorite roles include Amber in *Hairspray*, Dierdre in *I Hate Hamlet*, Pilar in *Legally Blonde*, and recently a stripper in *Rock of Ages*. She thanks Roscoe, Avery, and Jethro for putting up with long nights of rehearsals, and would like to ask Roscoe, "Who's a good boy?!"

**Katie Godfrey (*Columbia*)** This is Katie's fourth show with On Stage. She was previously seen as Nancy in *Oliver!*, Ethel McCormick in *Footloose*, and in *Country Legends*. Katie comes from a musical family and often enjoys sharing the stage with her husband, Nich and her children. Katie is a wife, mom, and teacher in her everyday life. The role *Columbia* has been a fun escape from the everyday!

**Nich Godfrey (*Dr. Everett Scott*)** This is Nich's third show with On Stage, *Country Music Legends* and *Twilight on Cape Fear*. He often shares the stage with his wife, Katie. His whole family is a musical/theater family, three of his children have performed at OSP. He is a teacher by profession, so playing the role of Dr. Scott seems fitting. Coincidentally, just like Dr. Scott, Nich likes to "live his life for the thrill!!!"

**Dell Goodrich (*Magenta/Usherette*)** Dell has been performing in community theatre since the age of 8. Her most recent performance was Roxy Barn with OSP's *Knock 'Em Dead*. Other favorite include Margo in *Backstage*, Tammy Wynette in *Stand By Your Man: The Tammy Wynette Story*, Tanya in *Mamma Mia* and Brooke Wyeth in *Other Desert Cities*. She's thrilled to be working with Robert again.

**Heather Hinson (*Janet Weiss*)** Melissa is overwhelmed with ecstasy to be joining the cast of *Rocky Horror* as Janet in her first show with OSP! Previous favorite roles were Gertrude McFuzz in *Seussical*, Jellylorum in *Cats*, Eponine in *Les Mis*, just to name a few. She thanks her family and friends, mom especially, for their unwavering support. Now let's journey through time and space over at the Frankenstein Place!

**Taylor Languen (*Transylvanian*)** This is Taylor's first show with OSP and in SC. She moved from upstate New York in 2020 in search of better music and acting opportunities. Taylor has performed in productions such as *Bugsy Malone Jr*, *Fiddler on the Roof Jr*, *Shrek Jr*, *Sussical*, *High School Musical*, *Clue on Stage*, and *Our Town*. She's from a musical family, loves performing in musical theater and hopes to get on any stage she can.

## ROCKY HORROR CAST BIOS - CONTINUED

**Christine McKay (*Transylvanian*)** This is Christine's second show with OSP. An avid Rocky Horror fan from long ago, this show holds a special place in her heart, and being included has truly been a fun and liberating experience. She lives in Lexington with her amazing husband, Chad, and their two children, Megan and Sophia, who encourage and motivate her daily. Special thank yous to her loving parents, Gina, Robin, Grayson, Missy and Eli. And lastly, a big thanks to Robert Harrelson for letting her do the time warp again.

**Teresa McWilliams (*Transylvanian*)** Teresa is a Georgia native, and began performing on stage in college. She migrated to the Chicago area, where she modeled for Eli's Bridal Fashions. She appeared in a segment with Chris Rock in 1999. She was awarded Best Supporting Actress by Broadway World for her performance as Mrs. Westenra in *Dracula*, stage adaptation co-written by Dacre Stoker, great grandnephew of Bram Stoker. She's performed for various theatres in the state, including SC Shakespeare Company, Town Theatre and Aiken Community Playhouse. Teresa was last seen in OSP's *Oliver!* as Mrs. Bedwin.

**Tim Privette (*Eddie*)** Tim has done many shows for On Stage Productions and VST! Tim loves recreating Meatloaf character Eddie! He loves singing, acting, but, "There ain't no way I'm ever wearing fish nets. But don't be sad 2 out of 3 ain't bad."

In Arrangement With

**Patrick Rosenfeld (*Brad Majors*)** Patrick is a professional singer and currently finishing his senior year at USC where he is seeking a degree in vocal music with emphasis in education. Rocky Horror is Patrick's first show since 2017 where he was last seen in Town's production of *Hunchback of Notre Dame* and *Spamalot*. He would like to thank his past and present vocal teachers for helping him find his voice. He would also like to thank his family who have given

him plenty of practice singing in front of an audience in his underwear!

**Tyler Shivers (*Rocky*)** Tyler is thrilled to return to the world of theater after 8 years away. Originally from South Jersey (GO BIRDS), this is Tyler's first production with On Stage Productions (and in Columbia). Previous roles include Tybalt (romeo and juliet), Brett (13!), Wolf/Cinderella's Prince (Into the Woods), Judas (Godspell), and Warner Huntington III (Legally Blonde). He wants to thank Robert and John

for the opportunity, the cast for being truly amazing, his family and friends back home for encouraging him to audition, and finally, his dog Yukon for putting up with dad being out of the house all day. Break a leg everyone

**Virginia Walker (*Transylvanian*)** Ginny is so excited to be doing *Rocky Horror* with OSP. She has been seen previously in several shows at Village Square Theatre such as *Chitty Chitty Bang Bang* and was most recently on stage at Town Theatre as part of the cast of *Broadway: Limited Exposure*. Thanks everyone for coming to support the arts as we start getting back to "normal" and enjoy the show!

**Matthew Wright (*FrankNfurter*)** Matt is very excited to be able to portray Frank N Furter in his first On Stage show. He has most recently done shows with BBVTP where he was in *Cats* and a musical review. He has also done many things with Trustus, Town and CCT Main Stage. On that note, it's time to put on some heels and fishnets. It's time to get this party started!
